

Annual Parking Revenues

The Ontario Hospital Parking Directive requires hospitals to annually report on revenues earned from hospital parking, and how funds generated from parking are utilized by the hospital.

Parking revenues at PRHC are used to support clinical operations, and for maintenance, repair and replacement of parking equipment and facilities.

Peterborough Regional Health Centre
April 2019 - March 2020
Parking Revenue and Expenses

Gross Revenues	\$ 3,514,158
Total Expenses	\$ 796,145
Net Revenues	<u>\$ 2,718,013</u>
