PRHC difference.**

President and Chief Executive Officer
Peterborough Regional Health Centre
Location: Peterborough, ON, Canada

Peterborough Regional Health Centre is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha. The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto - and has a proud local history extending back over a century. We are the region's largest employer with more than 2,500 staff, 460 physicians with privileges and a core team of 500 volunteers.

With a capacity of more than 460 beds, PRHC has one of the busiest Emergency Departments in Ontario, and offers an extensive range of services, including specialized programs in mental health and addictions, cardiac care, cancer care and vascular surgery.

The President and Chief Executive Officer (CEO) of Peterborough Regional Health Centre (PRHC) plays an integral role in the growth and operational excellence of the hospital. With a highly engaged Board and Senior Leadership Team, the CEO will empower a talented staff, judiciously steward limited resources to best advantage, be a compelling ambassador for the hospital, and continue to make PRHC a source of local pride. As the move to a truly regional model takes shape, the CEO will provide inspirational leadership to advance PRHC's collaboration with Peterborough Ontario Health Team, community and regional partners, and Ontario Health.

With 10+ years of progressive senior leadership acquired in complex healthcare organizations, the preferred candidate will have experience leading through times of significant change and expansion. The new CEO will have the demonstrated ability to translate vision and strategy into actions supporting optimal organizational performance. Possessing strong health system awareness, clinical operations oversight, and financial acumen, the new CEO will foster a culture that respects the patient's voice in support of improving health quality, equity, efficiency and access. A Masters degree (MBA/MHA) or equivalent is preferred.

For additional information, or to apply for this outstanding opportunity, please submit your application and related materials to Jim Stonehouse or Pamela Colquhoun via Kathy Luu (kluu@boyden.com).

PRHC respectfully acknowledges that we are on the traditional territory of the Mississauga Anishinaabeg. We offer our gratitude to First Nations for their care for, and teachings about, our earth and our relations. May we honour those teachings.

PRHC is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). Should any applicant require accommodation through the recruitment and selection process, please notify us by indicating that you require an accommodation. A representative will be in touch with you to tailor the recruitment process to meet your needs.
