The Opportunity

The Peterborough Regional Health Centre is seeking a General Cardiologist to join its vibrant growing cardiology program. Nuclear expertise is preferred but not required. As one of the Cardiac Centres of Excellence for the Central East LHIN, PRHC serves as a regional cardiac referral centre for our partner hospitals through the region. PRHC Cardiologists provide inpatient MRP cardiac care in our CCU, ward telemetry unit and consultation services to our busy emergency department and throughout the hospital. We have a high volume cardiac catheterization laboratory performing diagnostic and interventional procedures, including a 24/7 EMS bypass Code STEMI system.

The cardiac program is supported by the on-site regional nephrology and hemodialysis program, vascular surgery and a Level 3 ICU. Interested candidates would be expected to participate in PRHC's existing Regional Chest Pain, Rapid Access, TIA and Heart Function clinics. The opportunity to join an established group community cardiology practice exists, offering a full range of stress testing, stress-echocardiography, echocardiography, Holter monitoring and nuclear cardiology modalities. The opportunity to read nuclear perfusion stress tests, at a large volume community centre, is available for qualified candidates.

Position Qualifications:

- Currently licensed with the College of Physicians and Surgeons of Ontario or eligible to obtain license
- Fellow Royal College of Physicians and Surgeons of Canada
- Strong interpersonal skills and ability to work effectively with physicians, nursing, staff, patients, directors, managers, and the community as required
- Eligible for staff privileges at Peterborough Regional Health Centre
- Evidence of ongoing continued medical education
- Demonstrated interest in patient safety and quality improvement
- Level II or III nuclear cardiology training is an asset

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 2,500 staff, 400 physicians with privileges and 500 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Just 90 minutes from downtown Toronto by car, Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.
