How to connect to VDI to Access Epic?

These instructions will help you access the Epic training and production environments while external to the hospital.

Install the VMWare Horizon Client

The VMWare Horizon Client is installed on your remote machine. This client is used to access the virtual desktop infrastructure at PRHC.

Step 1

Download VMWare Horizon Client. Click <u>here</u> to download the latest version. If you are running Windows at home, select "VMWare Horizon Client for Windows".

	Product	Release Date	
~	VMware Horizon Client for Windows	<u> </u>	
	VMware Horizon Client for Windows	2020-03-30	Go to Downloads
~	VMware Horizon Client for Windows 10 UWP		
	VMware Horizon Client for Windows 10 UWP from the Microsoft store	2019-09-17	Go to Downloads
~	VMware Horizon Client for Mac	~	•
	VMware Horizon Client for macOS	2020-03-26	Go to Downloads
~	VMware Horizon Client for Linux	•	•
	VMware Horizon Client for 32-bit Linux	2020-04-09	Go to Downloads
	VMware Horizon Client for 64-bit Linux	2020-04-09	Go to Downloads
	VMware Horizon Client for Linux tarball version	2020-04-09	Go to Downloads

Step 2

Click download.

Step 3

After the download completes, launch the installer, and then select Agree & Install

Version 54.2
You must agree to the Privacy Agreement and License Terms before you can install the product
Agree & Install
Customize Installation

Step 4

Click Finish

Step 4

Click Restart Now

Configuring the VMWare Horizon Client

The VMWare Horizon Client is used to access the virtual desktop infrastructure at PRHC.

Step 2

You will be redirected to the following Sign in page. Enter your PRHC provided username and password in the following format <u>username@prhc.on.ca</u>.

Note: Multi-Factor Authentication (MFA) is required to access the PRH environment. This is mandatory and required in order remain complaint. If you have not already onboarded your account, please visit <u>https://mfa.prhc.on.ca</u> to register your account.

Additional information can be found on the prhc.on.ca website under Staff Resources.
