

Emergency Medicine Moonlighting Resident Opportunity

The Department

PRHC has a busy Emergency Department which receives approximately 77,000 visits per year of all age groups and variable acuity.

Our group is very collegial with excellent clinical support for each other, including no single coverage times in the department. We have monthly interprofessional simulations and departmental educational rounds. We also organize and host an annual Kawartha Emergency Medicine conference. We are affiliated with Queen's University and are an educational site for the CCFP (EM) residents and the Queens CCFP residency program based in Peterborough.

PRHC has been designated as a Level III Trauma Centre site and has a high-volume cardiac catheterization laboratory that performs diagnostic and interventional procedures, including a 24/7 EMS bypass Code STEMI system. We have 24-hour emergency service to CT scans and pediatrics on call. As a Moonlighting Resident you will have excellent support from specialty colleagues.

The Opportunity

As a Moonlighting Resident:

- You will provide Emergency Medicine Care for patients in the PRHC emergency department, within the scope of your training, and within the scope of services indicated by the registration issued by the College
- You will be assigned your own shifts and be expected to provide emergency care similar to that provided by physicians in our department. A PRHC staff Emergency

physician present in the Emergency Department will be MRP for each of your patients

- You will not be scheduled for any midnight shifts, nor shall you pick up any call shifts. Your sole responsibility will be the care of patients in the emergency department.

Qualifications

- PGY4 or PGY5 residents currently enrolled in a FRCPC EM program in an Ontario medical school and in good standing
- Restricted license with the College of Physicians and Surgeons of Ontario
- Appropriate CMPA coverage
- Must have successfully completed training in Advanced Trauma Life Support and Advanced Cardiac Life Support

The Community

Peterborough is located 90 minutes north-east of Toronto, making it a convenient yet peaceful alternative to city living. For those who love the outdoors, the area offers easy access to cottage country, just 20 minutes away. With Trent University and Fleming College in the area, along with a growing business sector, the opportunities here are abundant.

Renumeration

- Competitive AFA hourly rate
- Accommodations provided for summer coverage (June through September)

PRHC is an accessible workplace, and an equal opportunity employer. For more information about our programs and services, please visit our website at: www.prhc.on.ca

"I was moonlighting in the PRHC ED during my final year of residency, and I had a tremendous experience. The nursing, ED docs, consultants and hospital staff were all extremely welcoming and always willing to help me out.

There is a great amount of acuity and clinical variety at the PRHC ED that helped expand my knowledge, skill and experience in a meaningful way. Plus, being able to use Epic as an EMR and having great access to imaging made adjusting and adapting to the department quite seamless.

I felt like a valuable and important member of the department, and even got to be involved in some education initiatives for the department. I would wholeheartedly recommend the PRHC ED as a place to work!"

- Former Moonlighting Resident

One team, here when you need us most.
