Emergency Physician

Full-time and part-time opportunities available.

Physicians trained in Canada and the United States are encouraged to apply. We also welcome other qualified international applicants who are licensure-eligible. Work permit assistance is available if needed.

The Opportunity

Peterborough Regional Health Centre (PRHC) is recruiting full-time and part-time Emergency Physicians (EPs) to join a busy, high-acuity Emergency Department serving approximately 87,000 patient visits each year. This fast-paced environment offers impressive case complexity across all age groups and acuity levels, providing a dynamic and professionally rewarding practice in a community known for its exceptional quality of life

Expect robust team overlap; our scheduling model prioritizes support. The department is staffed by 32 full and part-time EPs. Coverage is 24/7 with up to 12 scheduled shifts per 24 hour period, which means double coverage on midnights and that there may be up to six (6) EPs on at one time. Shifts are divided fairly amongst the EPs with the exception of locums, who are exempt from midnights for the first three (3) to six (6) months. Shifts are six (6) to eight and a half (8.5) hours in length.

We are committed to clinical excellence. Our team participates in monthly high-fidelity simulation sessions and educational rounds, and ongoing quality improvement initiatives. We also organize and host an annual Kawartha Emergency Medicine conference. We are affiliated with

Queen's University and are an educational site for the CCFP (EM) residents and the Queens CCFP residency program based in Peterborough.

Our group is very collegial with excellent clinical support for each other, new locums and staff. PRHC has been designated as a Level III Trauma Centre site and has a high-volume cardiac catheterization laboratory that performs diagnostic and interventional procedures, including a 24/7 EMS bypass Code STEMI system. As an EP you will have excellent support from specialty colleagues and access to advanced resources.

Remuneration is via an Alternate Funding Arrangement (AFA). Minimum expected annual earnings for a full-time practicing Emergency Physician working at our hospital and in our region is more than \$400,000. Benefits are not applicable for this position. Language of work is English.

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 250 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to lead and learn, to develop talents, relationships and careers, and a culture that recognizes and celebrates the efforts and achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.
