Cardiologist

Full-time position

Physicians trained in Canada and the United States are encouraged to apply. We also welcome other qualified international applicants who are licensure-eligible. Work permit assistance is available if needed.

Peterborough Regional Health Centre (PRHC) is a hub for advanced cardiac care in central Ontario, serving as a Regional Cardiac Centre of Excellence for five partner hospitals: Campbellford Memorial Hospital, Haliburton Highlands Health Services, Northumberland Hills Hospital, Ross Memorial, and Quinte Health – Bancroft. The cardiac program is supported by the on-site regional nephrology and hemodialysis program, vascular surgery and a Level 3 ICU.

The Opportunity

PRHC is seeking a General Cardiologist to join its vibrant growing cardiology program.

Comprehensive Inpatient and Outpatient Care

- Cardiologist MRP model for CCU and cardiology telemetry ward
- Provision of consultation support throughout the hospital
- Nurse Practitioner support for inpatient care
- Regional Heart Function and Chest Pain Clinics
- Existing Cardiac Device Management Clinic
- Cardiac Electrophysiology (EP) program starting in 2026

Cath Lab and Advanced Diagnostics

- Two fully equipped cath lab suites
- Diagnostic coronary angiography and PCI
- Advanced imaging capabilities including Transesophageal Echocardiography (TEE) and Nuclear Cardiology
- Full access to all cardiac diagnostic testing modalities

“We function like a large academic program – but with the friendliness and flexibility of a community hospital.”

– Dr. Ball, Cardiologist

Electrophysiology Program Development

- ICD implants anticipated to begin in 2026 (pending provincial approval)
- Third cath lab with full EP services in development

Qualified candidates will have the chance to:

- Join an established group community cardiology practice, which offers a full range of stress testing, stress echocardiography, echocardiography, Holter monitoring and nuclear cardiology modalities
- Read nuclear perfusion stress tests at a large volume community centre
- Perform TEEs to support our programs patients requiring structural heart evaluation
- Participate in PRHC's existing nursing supported Regional Chest Pain, Rapid Access and Heart Function clinics.

Community Office Locations:

Kawartha Cardiology Clinic
327 Charlotte Street, Peterborough, ON

Remuneration is via fee-for-service billing to the Ontario Health Insurance Plan (OHIP). Minimum expected annual earnings for a full-time practicing Cardiologist working at our hospital and in our region is more than \$450,000. Benefits are not applicable for this position. Language of work is English.

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 300 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.

Not your average community hospital

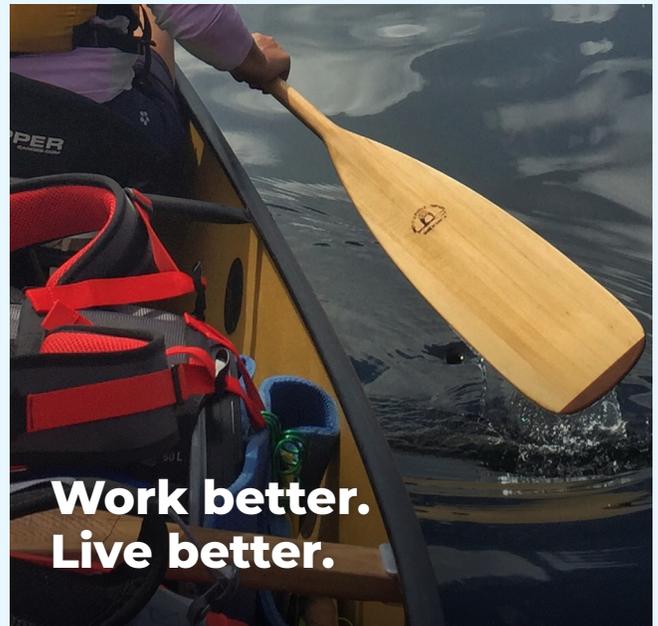

At PRHC, you'll have access to comprehensive specialist support typically found only in major teaching hospitals, while still enjoying the collegial, supportive culture of a community hospital.

Commitment to clinical excellence

As a Physician you will have the opportunity to participate in interdepartmental education sessions, quality improvement initiatives, and skill development workshops designed to keep our skills sharp, our care consistent, and our team communication strong.

Well-being, beyond work

Support your well-being with the Employee and Family Assistance Program (EFAP), on-site fitness facilities, and year-round wellness initiatives, including the annual softball tournament, family fun fair, wellness fair, and other activities to keep professional staff active, engaged, and connected.
