## Plastic Surgeon

### Add more life to your career.

With our investments in people and leading edge, specialized services, it's an amazing time to be a part of PRHC. As a Plastic Surgeon, you'll work with diverse and talented leaders and colleagues who are committed to providing extraordinary care, and you'll be doing it all in a place where you'll make a meaningful impact on people's lives while you transform your own. Experience the PRHC difference.

### The Opportunity

Our Plastic Surgery team is seeking to expand our group and is offering a locum opportunity with the potential to transition into a full-time role for the right candidate.

This collegial team of plastic surgeons values collaboration, professional development, and continued program growth. The successful candidate will provide comprehensive plastic surgery services, with a particular focus on reconstructive breast surgery. This includes both immediate and delayed reconstruction. While there is currently no microsurgical program, there is opportunity for program development and expansion.

Call responsibilities are shared equally (1:3 or 4) and include coverage for hand trauma. Craniofacial trauma expertise is not required.

The position includes dedicated weekly main operating room time as well as access to a minor procedure clinic (up to one day per week). The ideal candidate will have an interest in leading the development of a more formalized breast reconstruction program, working collaboratively

with a supportive and active group of general surgeons. Additional institutional resources may be available to support this growth.

This is a community-based role within a large regional hospital, with no formal teaching or research obligations. PRHC offers a welcoming, collegial environment with experienced and supportive OR staff and a strong community hospital culture.

### Position Qualifications:

- Currently registered with the College of Physicians and Surgeons of Ontario
- Fellow Royal College of Physicians and Surgeons of Canada
- Eligible for Active or associate staff privileges at Peterborough Regional Health Centre
- Evidence of ongoing continued medical education
- Demonstrated ability to Integrate current evidence and best practice into delivery of quality care in the division
- Demonstrated analytical skills
- Excellent verbal and written communication skills
- Strong interpersonal skills and ability to work effectively with physicians, nursing, staff, patients, directors, managers, and the community as required
- Excellent organizational skills and ability to adapt to continually changing priorities
- Demonstrated ability to achieve goals and objectives within specified time frames
- Commitment to an interdisciplinary team approach
- Actively encourage a spirit of co-operation amongst team members

Peterborough Regional  
Health Centre

## Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 300 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

## Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.

## Reasons to Join PRHC

### Not your average community hospital

At PRHC, you'll have access to comprehensive specialist support typically found only in major teaching hospitals, while still enjoying the collegial, supportive culture of a community hospital.

### Commitment to clinical excellence

As a Physician you will have the opportunity to participate in interdepartmental education sessions, quality improvement initiatives, and skill development workshops designed to keep our skills sharp, our care consistent, and our team communication strong.

### Well-being, beyond work

Support your well-being with the Employee and Family Assistance Program (EFAP), on-site fitness facilities, and year-round wellness initiatives, including the annual softball tournament, family fun fair, wellness fair, and other activities to keep professional staff active, engaged, and connected.

### Work Better

Celebrating our doctors in our professional staff lounge

### Live Better

Running in Jackson Park, Peterborough.
