Device Cardiologist

Full-time position

We welcome applications from physicians trained in the UK, Canada, and the United States, as well as other qualified international physicians who are eligible for licensure in Ontario. Work permit assistance is available, if needed.

Peterborough Regional Health Centre (PRHC) is a hub for advanced cardiac care in central Ontario, serving as a Regional Cardiac Centre of Excellence for five partner hospitals: Campbellford Memorial Hospital, Haliburton Highlands Health Services, Northumberland Hills Hospital, Ross Memorial, and Quinte Health – Bancroft. The cardiac program is supported by the on-site regional nephrology and hemodialysis program, vascular surgery and a Level 3 ICU.

The Opportunity

PRHC is seeking a Cardiologist with expertise in device implantation (permanent pacemakers and implantable cardiac defibrillators) to join our growing Regional Cardiology Program.

Comprehensive Inpatient and Outpatient Care

- Cardiologist MRP model for CCU and cardiology telemetry ward
- Provision of consultation support throughout the hospital
- Nurse Practitioner support for inpatient care
- Regional Heart Function, Chest Pain and Atrial Fibrillation Clinics
- Cardiac Device Management Clinic, supporting pacemaker and ICD follow-up and management

"We function like a large academic program – but with the friendliness and flexibility of a community hospital."

– Dr. Ball, Cardiologist

Cath Lab and Advanced Diagnostics

- Two fully equipped cath lab suites
- Diagnostic coronary angiography and PCI
- Permanent pacemaker implants, implantable cardioverter-defibrillator (ICD) implants, and pulse generator replacements
- Advanced imaging capabilities including Transesophageal Echocardiography (TEE)
- Full access to all cardiac diagnostic testing modalities

Qualified candidates will:

- Have formal training and expertise in cardiac device implantation, including pacemakers and implantable cardioverter-defibrillators (ICDs).
- Participate in MRP service provision within the Coronary Care Unit (CCU) and cardiology telemetry wards, as well as general cardiology call coverage.
- Join an established community cardiology practice offering a full range of stress testing, stress echocardiography, echocardiography, Holter monitoring, and nuclear cardiology services.
- Participate in PRHC's Regional Chest Pain, Heart Function and Atrial Fibrillation Clinics.

Community Office Locations:

Kawartha Cardiology Clinic
327 Charlotte Street, Peterborough, ON

One team, here when you need us most.

PRHC
Peterborough Regional
Health Centre

Remuneration is via fee-for-service billing to the Ontario Health Insurance Plan (OHIP). A full-time Cardiologist practicing in the region earns an average gross annual income of approximately \$600,000. Benefits are not applicable for this position. Language of work is English.

Position Qualifications:

- Applicants must hold, or be eligible to obtain, licensure with the College of Physicians and Surgeons of Ontario (CPSO). A clear and viable pathway to licensure must be established at the time of application.
- Fellowship with the Royal College of Physicians and Surgeons of Canada (RCPSC) in Cardiology, or equivalent training as recognized by the CPSO.
- Demonstrated expertise in cardiac rhythm management, including pacemaker and implantable cardioverter-defibrillator (ICD) implantation and management.
- Strong interpersonal skills and the ability to work effectively with physicians, nursing staff, patients, directors, managers, and community partners.
- Eligible for Professional Staff privileges at PRHC.
- Evidence of ongoing continuing medical education.
- Demonstrated commitment to patient safety and quality improvement.

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is a 90-minute drive north-east of Toronto and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 300 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park.

Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector.

Peterborough offers a blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.

Not your average community hospital

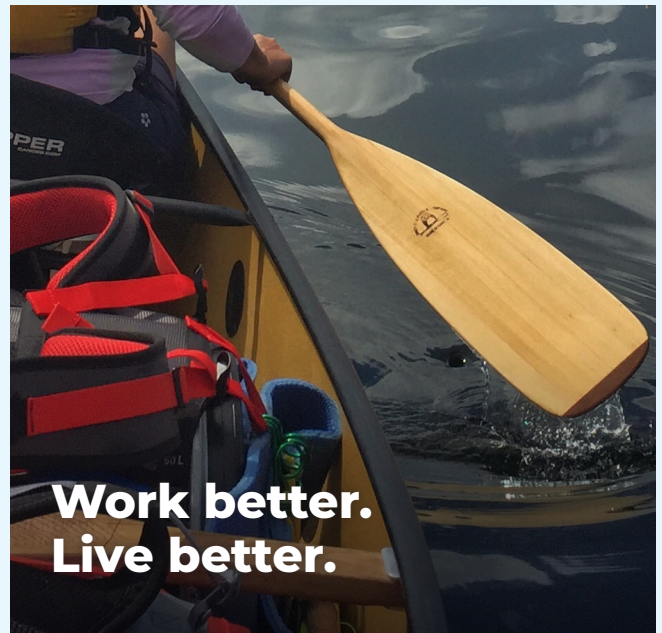

At PRHC, you'll have access to comprehensive specialist support typically found only in major teaching hospitals, while still enjoying the collegial, supportive culture of a community hospital.

Commitment to clinical excellence

As a Physician you will have the opportunity to participate in interdepartmental education sessions, quality improvement initiatives, and skill development workshops designed to keep our skills sharp, our care consistent, and our team communication strong.

Well-being, beyond work

Support your well-being with the Employee and Family Assistance Program (EFAP), on-site fitness facilities, and year-round wellness initiatives, including the annual softball tournament, family fun fair, wellness fair, and other activities to keep professional staff active, engaged, and connected.
