PETERBOROUGH REGIONAL HEALTH CENTRE PHYSICIAN RECRUITMENT

Plastic Surgeon

We welcome applications from physicians trained in the UK, Canada, and the United States, as well as other qualified international physicians who are eligible for licensure in Ontario. Work permit assistance is available, if needed.

The Opportunity

Our Plastic Surgery team is seeking to expand and rebuild its group and is recruiting multiple Plastic Surgeons to join a growing regional program. These permanent opportunities are ideal for candidates interested in helping shape the future of plastic surgery services at Peterborough Regional Health Centre (PRHC) and throughout the region.

The positions includes dedicated weekly main operating room time as well as access to a minor procedure clinic (up to one day per week). Successful candidates will have the opportunity to contribute to the ongoing development of reconstructive breast surgery services while helping shape the future direction of plastic surgery at PRHC. Opportunities exist to further develop regional plastic surgery services in collaboration with surgical and administrative leadership.

This collegial team of plastic surgeons values collaboration, professional development, and continued program growth. The successful candidate will provide comprehensive plastic surgery services, including reconstructive surgery, breast reconstruction, hand trauma, skin cancer management and general plastic surgery care. Immediate and delayed breast reconstruction are currently offered. While microsurgical breast reconstruction is not presently available, opportunities exist for future program growth and service development.

Participation in shared call coverage is expected and includes coverage for hand trauma. Craniofacial trauma expertise is not required.

The positions include dedicated weekly main operating room time as well as access to a minor procedure clinic (up to one day per week). Successful candidates will have the opportunity to contribute to the ongoing development of reconstructive breast surgery services while helping shape the future direction of plastic surgery at PRHC. Opportunities exist to further develop regional plastic surgery services in collaboration with surgical and administrative leadership.

PRHC is committed to rebuilding a strong and sustainable Plastic Surgery program that can once again serve as a regional provider of comprehensive plastic surgery care. The successful candidate will play an important role in program development and future service expansion. Opportunities may include participation in the development of a Plastic Surgery Rapid Access/Emergency Clinic to improve regional access to care.

This is a community-based role within a large regional hospital, with no formal teaching or research obligations. PRHC offers a welcoming, collegial environment with experienced and supportive OR staff and a strong community hospital culture.

Position Qualifications:

- Applicants must hold, or be eligible to obtain, licensure with the College of Physicians and Surgeons of Ontario (CPSO). A clear and viable pathway to licensure must be established at the time of application.
- Fellowship with the Royal College of Physicians and Surgeons of Canada (RCPSC) or equivalent training (e.g. American Board Certification) and eligible for RCPSC assessment.
- Eligible for Active or associate staff privileges at Peterborough Regional Health Centre
- Evidence of ongoing continued medical education

One team, here when you need us most.

Work Better

PRHC is a regional hospital delivering acute healthcare to a rapidly growing population of more than 300,000 in Peterborough and the surrounding communities, including the First Nations of Curve Lake, Alderville and Hiawatha.

The Health Centre is located in Peterborough Ontario, a 90-minute drive north-east of Toronto – and has a proud local history extending back over a century. We are the region's largest employer with more than 3,100 staff, 450 physicians with privileges and a core group of 300 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

Live Better

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Cottage country is as close as 20 minutes away. An hour south of Kawartha Highlands Provincial Park and a couple of hours from Algonquin Provincial Park. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops.

Reasons to Join PRHC

Not your average community hospital

At PRHC, you'll have access to comprehensive specialist support typically found only in major teaching hospitals, while still enjoying the collegial, supportive culture of a community hospital.

Commitment to clinical excellence

As a Physician you will have the opportunity to participate in interdepartmental education sessions, quality improvement initiatives, and skill development workshops designed to keep our skills sharp, our care consistent, and our team communication strong.

Well-being, beyond work

Support your well-being with the Employee and Family Assistance Program (EFAP), on-site fitness facilities, and year-round wellness initiatives, including the annual softball tournament, family fun fair, wellness fair, and other activities to keep professional staff active, engaged, and connected.
